**Subject:** Our economy depends on the river

A cleanup plan is a good idea but we have to make sure we can afford it.

The amount of wages generated by companies in the Portland harbor help so many families put food on the table. We all support a clean Willamette River but it's also crucial that the cleanup is flexible and not be so expensive that it threatens local jobs.

Please do what's right for the environment and the important work that happens in the Portland Harbor.

Sincerely,
